Case No. 13CV1432-BAS (BLM)

**ORDER GRANTING THIRD JOINT
MOTION TO EXTEND CASE
DEADLINE**

[ECF No. 116]

20 On January 27, 2015, the parties filed a "joint motion to extend case deadline." ECF
21 No. 116. The parties seek to extend the current deadline for filing a settlement agreement
22 and a joint motion for preliminary approval of settlement from January 28, 2015 to
23 February 3, 2015. Id. at 3. In support, the parties state that "an agreement has been
24 reached on the substantive terms of the settlement," and that the "parties have also
25 negotiated a settlement agreement," but "defense counsel is experiencing an unanticipated
26 medical issue, and has been out of the office and on medication," which has prevented the
27 parties from executing the agreement and finalizing class notices. Id. This is the parties'
28 third request for an extension of this deadline. See ECF Nos. 111, 113, and 116.

Good cause appearing, the parties' motion is **GRANTED**. The parties' deadline to

1 file their settlement agreement and joint motion for preliminary approval of the settlement
2 is hereby extended to **February 3, 2015**.

3 **IT IS SO ORDERED.**
